INVITATION

You are invited

Dear Guest,

It gives us great pleasure to welcome you to **AiXCon 2026**, the Tricity's flagship conference on artificial intelligence, organised by **AiX Foundation** in association with **VSLS**.

Under the theme **"Where AI Exploration Begins"**, AiXCon brings together leaders from government, industry, healthcare, education and academia for a full day of practical conversations on how AI is changing the way we work, learn, heal and govern. The focus throughout is on real examples: what AI is already delivering, where it still falls short, and what each of us can do next.

We are honoured to have **Mr. Sameep Shastri**, Chairman, BRICS CCI, as our Chief Guest, together with our distinguished Guests of Honour and speakers from organisations including Microsoft, Morgan Stanley, upGrad X, Fortis Hospital and PGI.

With **500+ attendees**, **45+ speakers** and **50+ companies and institutions**, AiXCon 2026 is one of North India's biggest AI conferences. The day runs across four sessions: **AI in Enterprises**; **AI in Real Estate, Finance & Law**; **AI in Education**; and **AI in Healthcare, Govt & Public Sector**, each closing with recognition awards for the people and organisations putting AI to good use in our region.

This brochure carries the complete programme, our speakers, our partners and the team behind the conference. We look forward to your presence and participation.

With warm regards,

Adit Jindal
Organising Chairman, AiXCon 2026
President, AiX Foundation
